La Fusina

## LANGHE CHARDONNAY

DOC

Among the most classical international species of vines, the Chardonnay has found lands and elected environments in the Langhe. It is fully evidenced by the Chardonnay that the farm La Fusina produces in a fresh version. Excellent as aperitif, it goes pleasantly with delicate appetizers and dishes of fish, but it doesn't disdain more exacting matchings.

**Production area:** Dogliani

**Grape variety:** 100% chardonnay

**Altitude:** 300 meters

**Soil:** limestone and clay

**Age of vineyard:** approximately 15 years

**Vinification:** classic with vinification, with pressing of the grapes and fermentation in steel at controlled temperature

**Refinement:** some months only in steel

**Serving temperature:** 10-12 °C

**Perfect dishes:** Excellent as aperitif, delicate appetizers, and dishes of fish
